Learn to e-Foil with Surf Mexico and Fly!

Surfing newest frontier! eFoil!

Whether you are a beginner, or have experience in other board sports, our goal is to teach you how to FLY and dominate this new spectacular realm of water sports.

In this private class, you'll get to learn about eFoils and how they work.

Your instructor will begin with a safety clinic on the beach and then you will go into the water and ride side by side with your instructor ! You will understand basic technique, work on transitions from prone, to kneeling to standing, and you will experience FLIGHT!

Duration

15minutes on the beach
45 on the eFOIL!
